

Christine's model (based on review of ENSE 374 student work, P-drive analysis, and expert opinion)

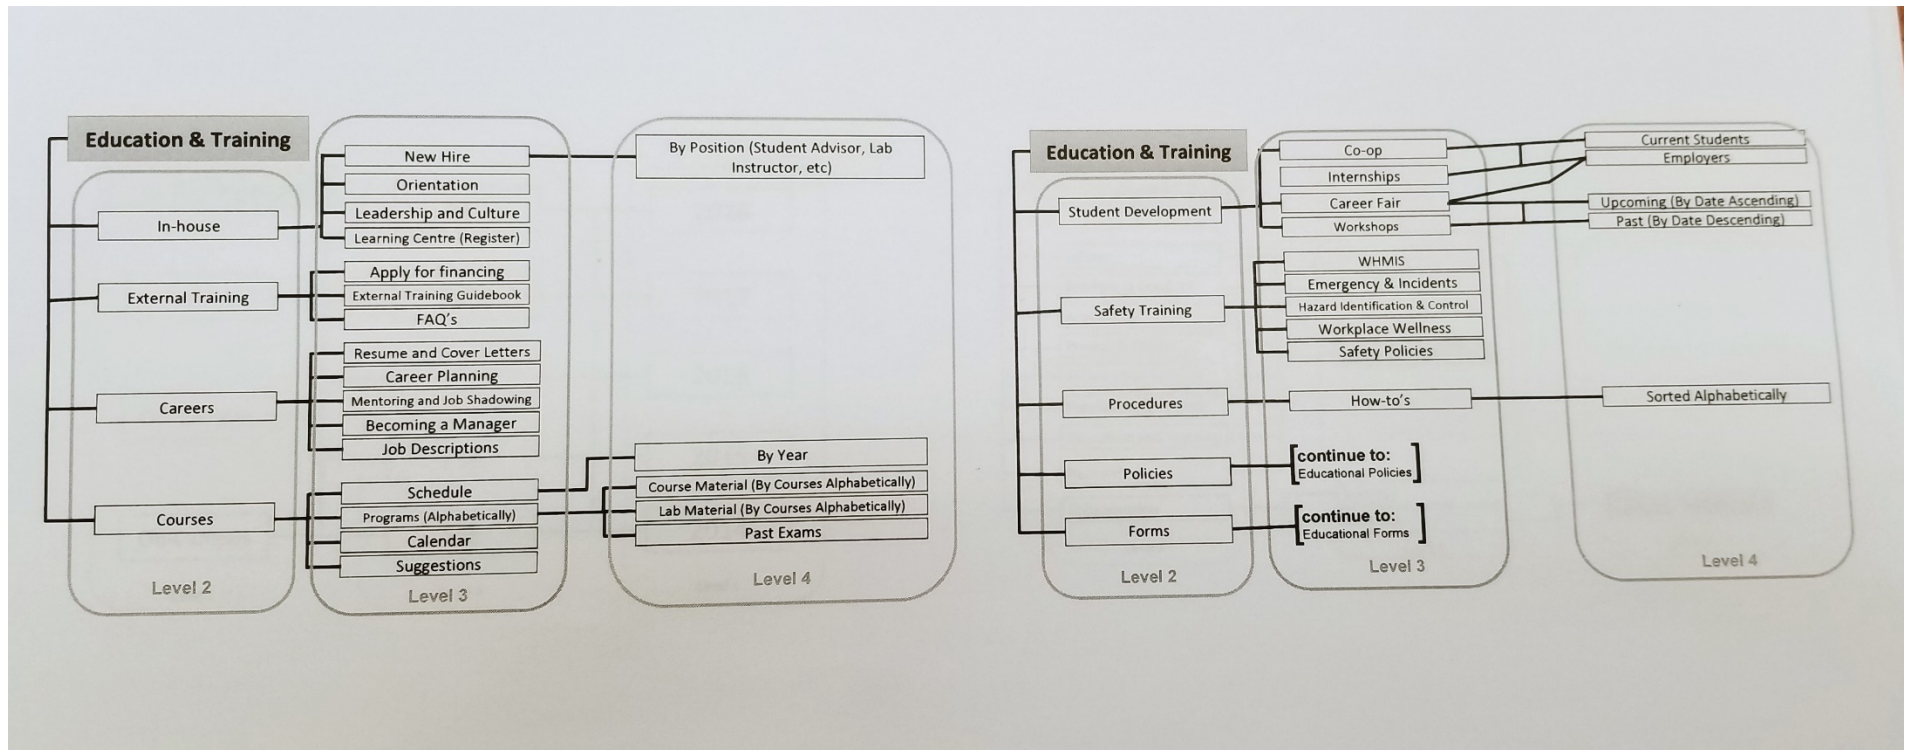

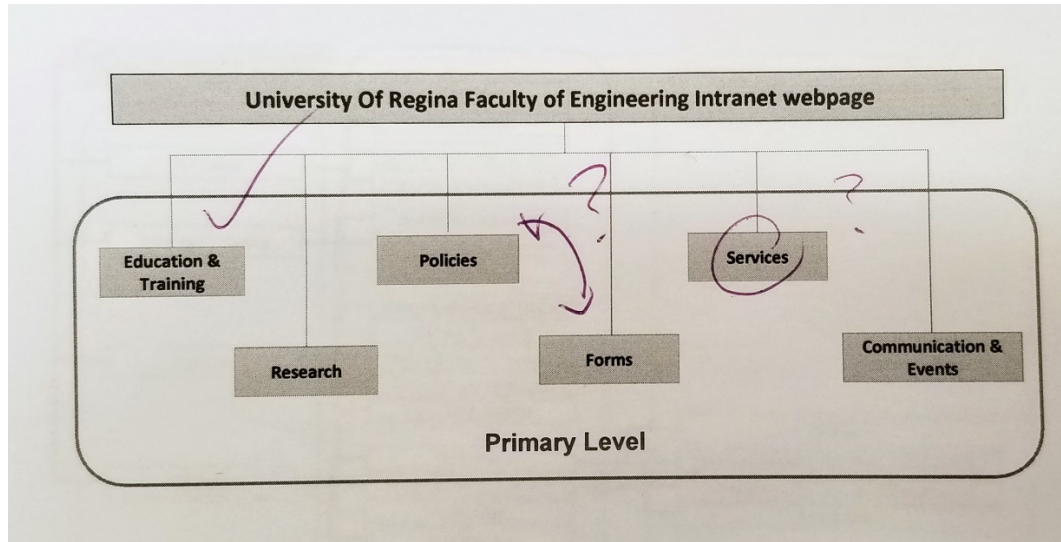

Committees	Documentation	Forms	Students	Faculty	Marketing
<ul style="list-style-type: none"> - Admissions agenda - Coop - Equipment Fund? - Faculty Council - Graduate - Local Safety - Planning - Scholarship 	<ul style="list-style-type: none"> - Academic Assembly - Course materials - Faculty meetings calendar - Faculty state - Meeting - Performance Review - Policies & procedures - Catalog (syllabi) 	<ul style="list-style-type: none"> - Recruitment - Keys - Payroll - Safety - New hire 	<ul style="list-style-type: none"> - UG - TA's & instructors - GRAD - Teaching assign. - DHH - Data/Stats - TA's & instructors 	<ul style="list-style-type: none"> - Safety responses 	<ul style="list-style-type: none"> - Recruitment - Visual identity
					<ul style="list-style-type: none"> - Calendar - Highlight meetings - Time - Location
• Search option on each page					

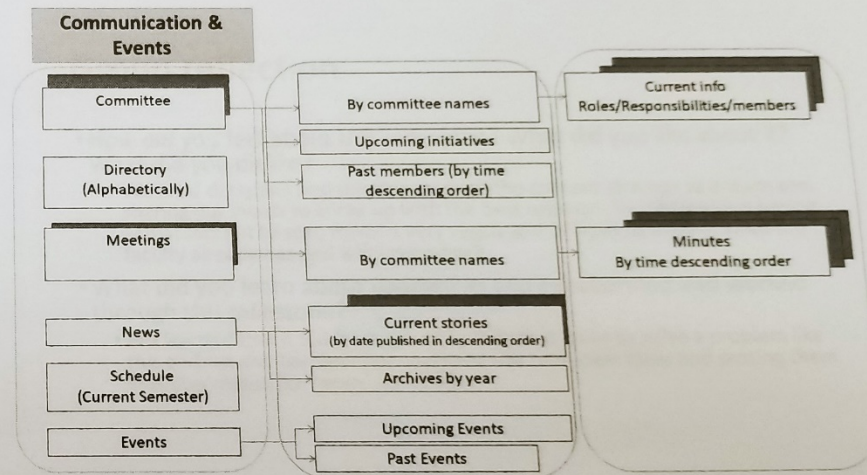

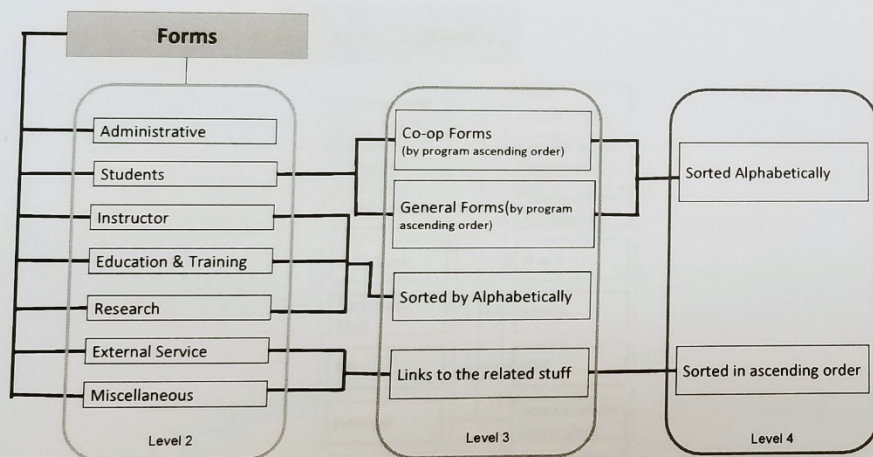

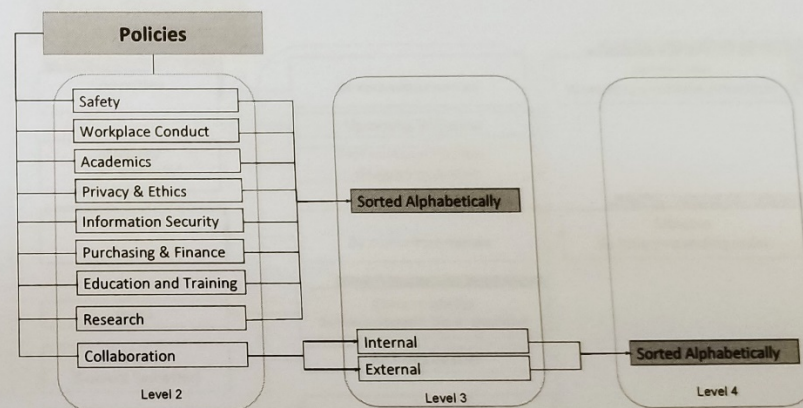

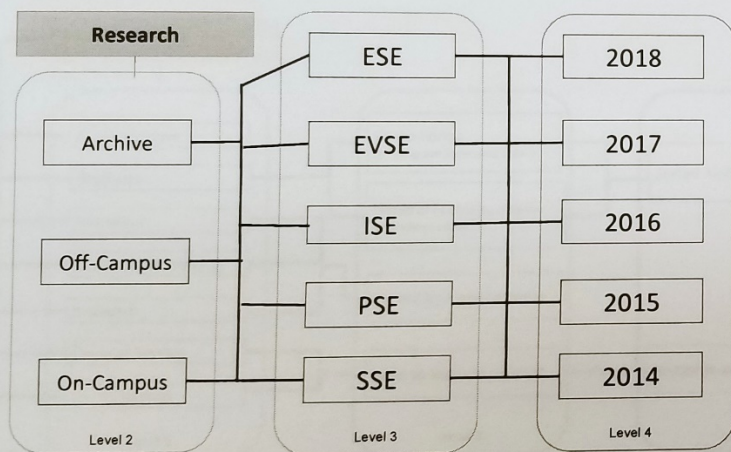

Tim particularly liked the simple content model (Committees | Course Material | Research Areas | Forms & Docs)

ENSE 374 project Boiled Frogs

Tim particularly liked the education and training section

Maybe these could be quick links?
